

A stylized illustration of a winter scene. A wooden birdhouse with a red roof is mounted on a tall wooden post. A small, colorful bird with a black head and yellow body is perched on the edge of the birdhouse. The background is a light blue sky with falling white snowflakes. A large, dark brown tree trunk is on the right side, with snow-covered branches extending across the top. The ground is covered in a layer of white snow.

Krmítko

Kateřina Konvalinová

Na krmítko přileť ptáčku,
vem semínko do zobáčku.
Zima jistě dlouhá bude,
sníh už leží téměř všude.
Nemusíš mít obavu,
tady najdeš potravu.
